The Innovation Lab

We're excited to invite leaders to be part of the 23rd Annual Florida Creativity Conference (FLCC), taking place March 11–14, 2026, at Ringling College of Art and Design in Sarasota, Florida. This year's theme, **Innovate**, is being pushed to the max as we transform the entire space into **The Innovation Lab**—a hands-on, collaborative environment where creativity is explored, tested, and applied. FLCC is more than a conference—it's a catalyst for personal growth, fresh thinking, and real-world problem-solving. Attendees will be co-creators in interactive sessions designed to spark bold ideas, build meaningful connections, and ignite positive change. We're inviting leaders like you to join us, engage with a dynamic creative community, and help shape the future of innovation here in Sarasota.

About the Conference

The Florida Creativity Conference (FLCC) depends on its **volunteer** presenters to shape and deliver a top-notch creative thinking experience for our attendees. Presenters are an integral part of the conference and are provided a discounted conference registration fee as thanks for all of their hard work.

During the 23rd Florida Creativity Conference, you will have different opportunities to share your expertise, ideas, and talents. All workshops will be presented in-person and all will last 90 minutes in length.

To submit a proposal, please complete the following by end of day, November 1, 2025.

Some good rules of thumb include:

- Make sure that your workshop is interactive (no lectures or academic papers, please!).
- Think about pre-work or post-workshop activities that you can send to your participants.
- Present a workshop or a topic that you find really interesting so your enthusiasm shines through.

Keep in mind that your photo and bio will be used on the event website and program support materials if you are selected as a presenter. Feel free to submit for multiple opportunities.

About Our Leaders

Florida Creativity Conference is proud to foster a community of leaders and learners. Every presenter at Florida Creativity Conference will:

- 1 - register at the reduced leader rate
- 2 - attend at least one other workshop, as a way to support others in this community

From formal learning in other workshops, to informal opportunities chatting with other attendees, being a conference attendee is part of the value you bring as a leader.

WORKSHOP PROPOSAL SELECTIONS ARE BASED ON:

- Timely, relevant topics – make it sound interesting!
- Varied forms of participant engagement – sessions with an experiential component are often the highest rated by our attendees.
- Balance of topics for key target audiences – content for educators, executives, general workforce, and retired folks alike.
- Mix of sessions for both novice and experts in the study of creativity – we want a mix of "intro" level and content for people who do this creativity stuff every day.
- Feedback from previous workshops – we do pay attention to what our attendees like and try to serve up more of that.

* Indicates required question

About Your Session

Title of Proposed Workshop *

Your answer

Session Description *

Provide a brief, three sentence description of your proposed session. State why your session is unique. Be specific: what practical techniques, strategies, or ideas will you share? Use clear, simple, jargon-free, and sales-free language.

Your answer

Three Key Takeaways *

What are three key takeaways that your participants will get as a result of attending your session?

Your answer

Session Outline *

Provide a brief outline of your session, including activities, discussions, or experiential learning opportunities that you plan to provide. (This can be a rough sketch - you don't have to have the whole session planned out at this stage.)

Your answer

CPSI (Creative Problem Solving Institute) takes place in June 2026 in Buffalo, NY. Would you like to be contacted to submit a proposal once our call for proposals is open for CPSI?

- Yes
 Not at this time

Would you like to Volunteer? How would you like to contribute to FLCC?

Your answer

A copy of your responses will be emailed to the address you provided.
